Michelle, the Friggin Guest

A seen in this group photo, not only do the club members act silly, they are beginning to look silly. There is no explanation for Michelle, the "Friggin Guest"

Calamity and Hia showing off their goofy "old west" attire

Poncho, dapper as usual.

Even Slyde, a club mascot, is beginning to look like the members

The contenders:
Perrier Jouet - the champion going for win number 7.

Nicolas Feuillatte - a high-priced, tasty challenger.

By unanimous vote it has been decided to retire Perrier Jouet as a seven time champion. It may return in the future to challenge other repeat champions. This rule change was made to keep the club interesting and because Perrier Jouet smells badly.

The votes:

Calamity - Nicolas Feuillatte
Hia - Perrier Jouet
Boon - Perrier Jouet

Both Poncho, the host, and the Friggin Guest would have voted for Feuillatte but, alas, their votes don't count and Perrier wins again.

The dessert beverage was a less expensive, yet delicious, example of Nicolas Feuillatte

Note:
The quality of pictures in this month's minutes is drastically improved over July. Thanks to Hia for taking the camera away from Boon.
