

Bubbles for Your Troubles

December 31, 2003

A special meeting was held to celebrate New Year's Eve. Forrest, our probationary member was unable to attend. However, there was a guest appearance by Danielle for whom we have no "friggin" nickname.

Although not an "official" tasting, an exhibition challenge was made by a fine Champagne from Louis Roederer (pronounced Roto-Rooter)

*The Votes:
Joanne - Moët
Sandy - Roederer
Denny - Moët
Danielle - Roederer*

Clearly this challenger must be a contender in an official tasting.

Hia "friggin" watha preparing for the holiday feast.
