***Another trip to the West and an exhibition  
meeting hosted by Bat “Friggin”  
Masterson***

***In remarkable tasting one of the all time  
greats is defeated by a club favorite***

Bat went all out in selecting one of the standards by which others are compared, Dom Perignon, and Perrier Jouet holder of the best record in 361 Club competition. In a stunning upset Perrier Jouet once again prevailed. In addition to exhibiting its usual aroma of rotting cabbage the Perrier also delivered its hard to beat taste. Recent upsets indicate that there are a great variety of interesting and quality Champagnes or that club members have drunk so much beer and tequila that they can no longer taste the difference.

*The contenders with valuable coins*

*Nice neighborhood for a tasting*
