## ***Victoire by G. H. Martel defeated by another newcomer - from Charles Ellner***

Although the Martel offering won over the previously undefeated Perrier Jouet it was no match for the Charles Ellner Brut offered by our host Poncho "Friggin" Villa. Only Kit "Friggin" Carson voted for the champion.

### ***Welcome Additions***

As if by magic new bottles of Champagne kept appearing. Winnie "Friggin" Guest contributed a bottle of a club favorite – "Fellatio". Not bad for a first time guest. In addition, Poncho just happened to have a spare bottle of Taittinger.

### ***A Celebrity Guest?***

Could it be that after repeated invitations Bill Murray finally appeared for the Groundhog Day festivities? Strangely, Kit seemed to disappear whenever Bill was around.

*Bill or Kit? Only her hairdresser knows for sure.*
