## A Rare Winter Meeting ... at a ski chalet

The “ski chalet” was actually the lovely Cupsaw Lake home of Cha F. Cha and Two F. Step. Unfortunately (?) they were forced to ski in Jackson Hole and were unable to attend the meeting which was attended by Kit, Pancho, Hia and Boon. As usual the minutes are being published at the last possible moment before another meeting. This serves as a further indication of Boon’s attempts to become

a recipient of the Reince Priebus administrative excellence award.

Due to the proximity of Groundhog Day the meeting focused on the celebration of this most important annual holiday. As you will later see Pancho came through with flying colors.

## Who Woulda Thunk?

*A Great Contest*

After years of being virtually unbeatable Perrier Jouet was surprisingly defeated by the contender from GH Mumm. Although the outcome was a pretty big surprise the winner, a fine French offering, is clearly no slouch. Only time will tell if Perrier Jouet will regain its aura of invin-

cibility. Given the geographically induced rarity of club meetings this may take several centuries. Although Boon had notes to identify the winner he did not bother to keep track of the votes. Another step in his growing obsession to become Reince F. Priebus.

## Pancho Rocks On

Some of the most exciting aspects of recent meetings have been Pancho’s surprise goodies. Often, in memory of Calamity F. Jane, they include the products of Calamity Ware. However, as you will see, this time there was a Groundhog Day focus.

*Wow!!!*

# Bill Murray Would Be Proud

## *Is this a Bill Murray Cult?*

Marlin F. Retriever, a well known dog model was being photographed in front of the Murray banner when the group barged in - it wasn't pretty..

*The Bill Murray do-rag makes a unique fashion statement*

*Hopefully they are not looking at a selfie*

*Kit and Boon looking stylish?*

Unfortunately this is what the pizza delivery man saw when the door opened. He is recovering in a quiet place.

*Is this place haunted?*

## Chow Time

### *Nutritional Content Unchanged*

*Two out of three ain't bad*

As discussed in the minutes of the previous meeting it is important to remember the importance of including all the major food groups (sugar, alcohol and caffeine) in one's diet. Once

again the alcohol (in the tasting) and sugar (for dessert) were well covered. And, while pizza is not a good source of caffeine, the club members seem to be thriving.

## Pancho Sees the Dark

*Calamities*

*Champions*

*Members*

For most of the club's history Pancho and Boon worked for an employer who awarded length of service certificates in nice wooden frames. Boon, in a move that somewhat offended

Pancho, threw away the certificates to use the frames for less "official" documents. Pancho, at last, has come to the dark side. The result is three lovely collages.

## A Dark Tradition

---

For many years club meetings have featured fisticuffs between Kit and Hia. In the past these bouts have been criticized for their apparent lack of real animosity. However at this meeting the tradition exploded into a fist fight (although with a lot of smiling).
