Happy 2007

Recipe for a great New Year's Eve  
party:

4 bottles fine Champagne  
2 pimps  
3 ho's

Mix to taste

Although it didn't seem possible to further lower the standards of good taste (as opposed to good tasting), the members of the 361 Club have done it. There was an addition made to the rules, however - in the future Boon must always wear a shirt.

## The Bottles

Although it was not a blind tasting there was consensus that Dom Perignon was the first choice in this outstanding group:

Perrier Jouet 1998 - Fleur de Champagne

Dom Perignon 1998

Nicolas Feuillatte 1997 - Cuvee Palmes d'Or

Perrier Jouet - Grand Brut
