

June 10, 2004

This meeting celebrated the introduction of "Official Meeting Music" consisting of 23 different renditions of "The Lion Sleeps Tonight".

The club members, as usual, were finely attired and in good spirits.

The contenders were reigning champion, Perrier Jouet, challenged by a promising newcomer, Egly-Ouriet (pronounced "ugly oreo")

The hostess, Calamity "Friggin" Jane, did not vote.

*Hia: Perrier Jouet
Poncho: Perrier Jouet
Boon: Perrier Jouet*

This time it's unanimous, Perrier Jouet has won again. If we don't get a decent challenger this club will become very boring.

This picture defies description.

A strange creature crawled from Calamity's knitting bag and demanded a tryout to be club mascot.

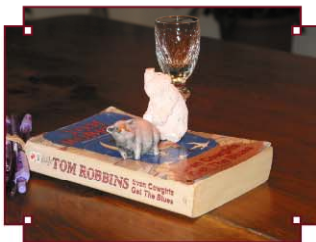

The creature was temporarily subdued by Hiaiwatha using a classic grip.

When the creature continued to make trouble Boon subdued it by cutting it in half and tying it in a knot.

Hiaiwatha and Calamity performing some strange, ritualistic dance.

Makin' Bacon

An oddly colored yet tasty dessert.
